Members	Dates											
	5/12	5/28	7/6									
1. Bautista, May A.												
2. Macabuhay, Lovender C.												
3. Pantuan, Joshua												
4. Umbaligan, Xavier Nathaniel S.												

Marks	Remarks
0	When a student does not report his/her progress. This mark should be awarded when the project group or member fails to produce an acceptable Progress Reports during the semester of work, misses too many consultations.
1-2	When a student fails to perform any work without valid reasons, even though their Progress Reports have been presented.
3-4	When a student underworks, e.g. misses consultation as well in the semester.
5-6	When a student performs average in his/her progress.
7-8	When a student's progress is on-time and well documented in his/her Progress Reports.
9-10	When a student excels his/her planned schedule and his/her Progress Report is also well documented consistently in the semester.
